

HANDLING SKILLS FOR SAFE VISITS:

Preparation for Your Team
Evaluation and Beyond

This **FREE** 90 minute mini workshop is for those who passed the Pet Partners handler course and are looking for additional preparation before their evaluation. Renewing handlers looking to review their skills are also welcome. This mini workshop focuses on core handling skills and includes some discussion of what to expect at a team evaluation. Participants may also have the opportunity to observe a visit in action.

(This is for handlers only – NOT for the pet.)
